

# Swimsuit Model

**The unique feature is the one-piece swimsuit.**

## DESCRIPTION

Female entry-level division. Muscularity is on the smaller side, while carrying just enough body fat to avoid muscle separation. Nice toned body still maintaining a flat and toned midsection. (Some Mums like this category, if they have been unfortunate enough to acquire stretch marks during their pregnancy, but do not want to show them on stage when competing) This, of course, is the Competitors decision entirely.

## JUDGING GUIDELINES

The body is judged with emphasis on shape, symmetry and toned condition. Stage presence, confidence, tan & posing. • Not judged on muscularity.

1. 4 quarter turns – front pose, side pose, back pose and opposite side pose.
2. A comparison round of quarter turns may follow.

## ATTIRE

One-piece Swimsuit that can be of any fabric and colour. Stage jewellery of choice can be worn along with clear stage heels (any choice of height).

## GENERAL

A swimsuit model should deliver a combination of overall beauty and the physical appeal of a shapely toned body together with stage and self-confidence
